

MANOJ VENKATA

PRODUCT DESIGNER

Hyderabad, India
+91 94944 32444
maanojpv@gmail.com

ABOUT ME

Product designer with 11+ years turning complex, accessibility-critical products into clear, usable experiences — from research to shipped software. Deep accessibility expertise (WCAG 2.0–2.2) paired with hands-on product delivery.

RECOGNITION

- Employee of the Quarter
- Figma accessibility-annotation plugin
- Chrome extension for a11y reporting

WORK EXPERIENCE

DEQUE

Hyderabad, India
Jan 2026 – Present

Product Designer

- Design end-to-end for accessibility-critical products — research, flows, and interfaces — with accessibility built into every decision.
- Apply design-system thinking to keep complex products consistent and usable.
- Building AI-assisted design workflows with Claude and Cursor, plus a Figma accessibility-annotation plugin.

Previously Sr SDET at Deque (2023–2025), contributing design alongside QA & automation.

PHENOM PEOPLE

Hyderabad, India
Aug 2019 – Feb 2023

Accessibility Specialist & Product Lead

- Led an accessibility tool that automates verification of manual checks across Phenom products.
- Owned conformance reports and site-health metrics; guided the teams responsible for fixes.
- Ran roadmaps, release plans, and feature grooming; reviewed prototypes and enabled devs and testers.

DEQUE SOFTWARE

Hyderabad, India
Dec 2012 – Jul 2019

Accessibility Consultant

- Audited websites, mobile apps, and documents to WCAG 2.0/2.1 and Section 508 for international clients across airlines, insurance, media, banking, and ecommerce.
- Delivered audit reports, remediation guidance, and compliance statements (VPATs); trained clients and mentored consultants.
